SUPPLEMENTAL
INFORMATION DISCLOSURE STATEMENT

Applicant submits herewith additional patents of which it is aware, that it believes may be material to the examination of this application, and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

The filing of this Supplemental Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR 1.56(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this Supplemental Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

Any such material patents, publications or other information, which is known to Applicant, is listed on a copy of PTO Form 1449 (modified) and legible copies of such listed

information are enclosed. After reasonable inquiry, and based on the information in the Applicant's attorney's files, no other information material to examination of the above-referenced application is known to Applicant.
